

# Key & Associates, P.C.

Certified Public Accountants

Key & Associates, P.C. (K&A), Certified Public Accountants (CPAs) is a full service public accounting, management and computer consulting firm located in Silver Spring, Maryland. K&A was incorporated in 2002 and certified as an 8(a) disadvantaged minority business by the U.S. Small Business Administration on September 11, 2003. A Woman-Owned business, K&A was established to provide our Federal clients with proficient, affordable and quality auditing, accounting, management, computer consulting and financial advisory services.

## What Makes Key & Associates Special?

**Our People**-Our firm reflects the melting pot that makes America strong. Many of our staff are first generation Americans. This diversity enables K&A the ability to conquer challenges with an open mind and fresh ideas.

**Our Process**-We are very "hands-on" and involved in every aspect of our responsibilities to our clients. From the president to every analyst, we all play a role in making each project a success.

**Our Pledge**-We are dedicated to meeting your expectations to earn your confidence and keep it.
